• An alternative is more important than ever
MISUSE OF MEDICAL DATA

- "Investigators are using the Luca app for their own purposes, even though that is prohibited. The case shows how blindly technology is used in the pandemic." - https://www.sueddeutsche.de/meinung/luca-app-polizei-datenschutz-corona-datenmissbrauch-mainz-1.5504437
FORCED RELEASE OF PATIENT DATA

• „Gematik, a company controlled by the German Federal Ministry of Health, is aiming to have the electronic patient file (ePA) set up automatically for all insured persons. This was decided by the Gematik shareholders' meeting.“ - https://www.handelsblatt.com/dpa/opt-out-verfahren-digitale-patientenakte-soll-automatisch-fuer-alle-kommen/28795144.html
POLITICAL CONTROL THROUGH HEALTH DATA

“Everyone has the right to the protection of personal data concerning him or her.”

–EU CHARTER OF FUNDAMENTAL RIGHTS, ARTICLE 8(1)
THE BIG PICTURE

- Enabling a free society in welfare and peace
  - Secure and independent infrastructure of communication
  - Secure and independent currency invoked on the former
  - No control, no manipulation, no sanctioning by third parties
CONCLUSION FOR HEALTH DATA

• Health information belongs to the patient

• Health data shared voluntarily belongs to the human family
SOLUTION

- A Smartphone for our freedom through simplicity and privacy
SIMPLICITY AND USABILITY

- New user interface approach
- Intelligent text field
- Quick gesture menu
- Dynamic content collections
PRIVACY AND CYBER SECURITY

- No cloud
- No user account
- Curated apps
- Open source
- Security mode
- Log free VPN
- Multi boot
HARDWARE

- Code of conduct for all vendors
- Control over complete software stack
- Update servers in Germany
- Choice of operating system
- Models for different use cases
